PROGRAM OVERVIEW:

The RHN/EHN Program was launched in response to increase basic medical care and health care to those who are not covered by any insurance. It was created as a need to the community of Jersey City specifically for those businesses who own a restaurant or have a business with employees. The Affordable Care Act was supposed to cover everyone with healthcare and insurance, however, at this moment, many people in our community remain without any insurance and or healthcare coverage. Although the RHN/EHN Program is NOT health insurance, it will hopefully improve health access to those who don't know where to go.

It is ethically responsible for every Medical Doctor to provide medical care (in a lawful form) to ANYONE who seeks it, regardless of creed, race, religion, financial ability or even resident legal status. Seeing the need for basic medical care access, the RHN/EHN Program was born.

HOW IT WORKS:

There are two ways to participate in the program. If you are a business/restaurant owner and would like to pay for your employees to have basic medical care, you, the owner can pay a monthly fee. The fee is as follows:

- \$500/monthly for up to 10 employees. This fee is due at the 1st of every month and will be automatically deducted from the owner's business account or credit card.
- The owner can deduct this monthly fee from his/her taxes as a *business expense*.
- The owner will need to provide the names and telephone numbers of those employees whom they are covering with the program.
- The employee/member will receive a plastic membership card that they must present to the office when they are seen.

If the business owner does NOT want to pay for his/her employees, then there is a second option:

- The business owner may offer the RHN/EHN Program to his/her employees. The fee will be \$50/month and it would be the responsibility of the employee to pay for that monthly.
- The business owner may either deduct that fee from the employees pay whenever the parties agree. (it can be weekly, monthly, quarterly). Or....

RESTAURANT HEALTH & ENTREPRENEUR HEALTH NETWORK:

- The business owner may simply offer the program and have the employee have the responsibility to pay monthly directly to LIFE*MOD LLC. LIFE*MOD LLC would require to have on file a credit card to automatically deduct the \$50 monthly. If the employee does not have a way to pay automatically, we can accept cash payments.
- In this scenario, the employer has no responsibility with collecting or paying for the employees program, but they wouldn't be able to deduct it as a business expense. They still however, would be providing access to care and the program to their employees.

As you know, having a business with healthy and happy employees, increases loyalty, productivity and overall work environment.

WHAT THE PROGRAM COVERS:

- Yearly full physical examination
- Treatment of common colds, flu, general malaise
- Blood pressure check, respiratory rate, weight, HR
- General and basic abrasions and lacerations
 - If the laceration isn't to big, we can suture in the office
- Consultation with a doctor to review symptoms
- Treatment in the general practitioner arena including:
 - Headaches
 - Musculoskeletal pain: back pain, neck pain, etc.
 - Common GI complaints: stomach pain, vomiting, diarrhea

WHAT THE PROGRAM DOESN'T COVER:

- OBGYN care (this includes, prenatal, fertility, pap smears, birth control, etc)
- Medications (we will be able to write prescriptions for say antibiotics, but the patient will have to pay for that)
- Imaging (this includes any xrays, MRI's, Ultrasound, etc)
- Laboratory (this includes any labwork)
- Ophthalmologic issues (eye exams, glasses, contacts, etc)
- Dental work
- Any problem that is deemed an emergency: Chest Pain, Stroke, Heart Attack, lacerations that aren't minor, major pains, dehydration etc
- No IV fluids
- Surgery of any kind
- Anesthesia (unless it is local for laceration repair)

RESTAURANT HEALTH NETWORK/ENTREPRENEUR HEALTH NETWORK CONTRACT

 INDIVIDUAL PROGRAM

 CORPORATE PROGRAM

This contract executed on this _____ day of the month of _____ of the year of _____, is hereby official and is between LIFE*MOD LLC/Corpore Sano Sports Medicine & Regenerative Orthopedics LLC, and

_____.

This contract is a yearly contract and will expire automatically on the day a year later of the signing of the contract. The member understands that this program is NOT health insurance and it by no means should take the role as such. No entity can provide health insurance unless it has been authorized as such by the United States and overseen by regulatory agencies.

The RHN/EHN Program, will provide basic health assessments to members of the program. The word basic is just that. If any more complex and comprehensive evaluations are needed by say a specialist, a referral will be given, and it will be the sole responsibility of the member to follow up with that specialist for that specific care.

The services provided under this program are outlined above and are only for the individual (group of employees), listed in the contract.

This is a concierge medical service program. No explicit or implicit guarantees are made.

*If this is a Corporate Program Contract please provide the following:

1. Your TAX ID Number: _____
2. Corporate Legal Name: _____
3. Attached sheet with the list of employees enrolled in the program. Please make sure to include the name, date of birth and copy of ID card of your enrolled members for our records.
